Liability and Insurance

It is mandatory that every exhibitor carry adequate liability and property insurance. Verification of insurance must be provided at least 30 days prior to show. Liability insurance should provide public liability coverage for bodily injury and property damage occurring from an accident in your exhibit space. Property insurance should cover theft or damage of your property from the time materials leave their point of origin until they reach their post-show destination including the time on the show floor. Some exhibitors also insure against non-arrival of freight or exhibit material at the show site. The most economical and practical way to obtain this coverage is to contact your current insurance company and ask them for a rider on your existing policy. Exhibitors may insure themselves against fire, theft, etc at their own expense. No merchandise or products may be shipped before May 16, 2009.

Retail Sales Policy

Beach to Bay prohibits the sale of any items with the Beach to Bay logo.
