

Bay Memo: Child/Minor Safety

To: All Parents/Guardians/Coaches

Dear Race Participants,

Thank you very much for choosing to participate in the 37th Running of the Beach to Bay Relay Marathon. Each year the Beach to Bay Relay Marathon has grown in leaps and bounds. During the 36th Annual Event, 16,000 runners signed up to run and this does not include spectators and volunteers.

Keeping the vast number of people involved in the race, your child's safety comes to my mind as I am sure it does yours. I would like to propose a few safety procedures and reminders in order to further enhance your child's enjoyment of the Beach to Bay Relay Marathon.

They are:

- To let you know that the Corpus Christi Police Officers and other Police Officers stationed and mobile are on hand to protect your child's well-being and safety.
- RTA Bus Operators are trained to assist children in need and have radio communication with our local law enforcement officials at a moment's notice. RTA Buses are a safety zone for our all children.
- Beach to Bay Volunteers is supplied with Two-Way Radios and can communicate with each via radio or cell phone.

The 2012 Beach to Bay Relay Marathon Saturday, May 19, 2012

How can you assist in helping us with keeping your child safe?

- Talk to your children about Stranger Danger and where to locate a Police Officer or Race Official if they are in need of help or assistance.
- Most importantly, clearly write your name and cell phone number along with an emergency name and contact on the back of your child's BIB number in pen.
- Please instruct your child not to take of his or her BIB number until they are safely back with you or your child's Coach.
- Also a wrist band will be provided to any and all minors participating in the 37th Running of the Beach to Bay Relay Marathon. Please fill out all of your important information. Please instruct your child or minor not to remove the wrist band until your or a responsible adult is with him or her.

Thank you for your cooperation in this matter and please enjoy the 37th Running of the Beach to Bay Relay Marathon.

Regards,

Doug McBee Jr
